CROWN BOXING CHAMPIONS OF ALL EUROPE TONIGHT

CHICAGO TRIP AWAITS STARS OF BERLIN SHOW

Ten Nations Send Best Fighters.

BY ARCH WARD.
[Chicago Tribune Press Service.]

BERLIN, April 28.—Thirty amateur boxers, the best in all Europe, are resting tonight in Berlin, preparatory to the biggest adventure of their lives. Tomorrow evening in Deutschland hall, before a capacity crowd of 18,000, they will battle it out for the championships of Europe and tickets to America.

Tomorrow's competition is unique. Olympic games and other international contests many times have brought together championship teams from various countries but no nation has been permitted to enter a full team in tomorrow night's program. They can send only their best. It is a meet for champions of champions. Germany, Italy, Poland, Ireland, Finland, Denmark, France, Czechoslovakia, Hungary, and Sweden will have representatives in tomorrow's bouts.

They'll Win a Long Trip.

Out of the flurry of gloves will come eight young men who will represent Europe against Chicago's Golden Glove champions in the CHICAGO TRIBUNE'S seventh international Golden Gloves matches in the Chicago Stadium on May 18.

The decision to conduct a tournament in Berlin to which only the best European fighters would be invited was made by the International Boxing federation in an effort to save the continent's fading prestige in competition with Chicago. Europe never has been able to whip a Chicago team.

The personnel of the European team will be determined by a committee from the International federation immediately after the bouts tomorrow night. In some weights there will be only one match, because the outstanding competitors are agreed upon. The pairings follow:

FLYWEIGHT.

Constante Paesani, Italy, vs. Edmund Sobkowiac, Poland.
Olle Lehtinen, Finland vs. Alex Podany, Hungary.

BANTAMWEIGHT.

Michael Bondi, Hungary, vs. Ulderico Sergo, Italy.

FEATHERWEIGHT.

J. Saunders, Ireland, vs. Schoenberger, Germany.
Kozolick, Poland, vs. Alfred Graff, Germany.
Guido Vieini, Italy, vs. Voelker, Germany.
Antoni Czortek, Poland, vs. Krenger, Sweden.

LIGHTWEIGHT.

Erie Agren, Sweden, vs. Herbert Nurnberg, Germany.
Ernie Smith, Ireland, vs. Walter, France.

WELTERWEIGHT.

Clancy, Ireland, vs. Kolczynski, Poland.
Michael Murach, Germany, vs. Gerhard Petersen, Denmark.

MIDDLEWEIGHT.

Pisarki, Poland, vs. Erie Campe, Germany.
Bruno Zorzone, Italy, vs. Adolph Baumgarten, Germany.

LIGHT HEAVYWEIGHT.

Richard Vogt, Germany, vs. Rudolf Kuss, Czechoslovakia.

HEAVYWEIGHT.

Herbert Runge, Germany, vs. Olle Tandberg, Sweden.

Among the thirty candidates are six who have fought in Chicago, Sergo, the Italian bantamweight, won decisions over Johnny Brown in 1935, when Chicago defeated Italy, 5 to 3, and over Frank Kainrath last year, when the teams fought to a 4 to 4 tie. Kainrath is a member of Chicago's squad again this season, so there is a possibility these two great bantamweights will renew their rivalry.

Nurnberg, German lightweight, defeated Ed Kozoie last year, and Murach, German welterweight, won a thrilling battle from Verne Patterson on the same program.

Smith Loses to Ward.

Ernie Smith, Irish lightweight, was beaten by Eddie Ward in Soldiers' field in 1933 when Chicago defeated Ireland, 6 to 2. Campe, fighting a colored opponent for the first time, was knocked out by Johnny Phagen in 1932, when Germany held the

DRAKE RELAYS TO OPEN TODAY; 2,000 ENTERED

Seven Big 10 Teams to Compete in Des Moines.

BY WILFRID SMITH.

The vanguard of track and field stars from the southern, far western, and central states arrived yesterday in Des Moines, Ia., to finish preparations for the 29th relays sponsored by Drake university. The remainder of the college and university contestants will reach Des Moines this morning ready for the preliminary tests this afternoon.

More than 2,000 athletes including high school contestants as well as those from universities, are expected to take part. The pageantry and events of the Drake relays long ago brought to this meet the same prominent position in the track world as the University of Pennsylvania relays, which will be held today and tomorrow in Philadelphia, for the eastern colleges. Once again there will be the same rivalry between these meets which annually is decided by comparative results.

Seven Big Ten Teams Enter.

Seven of the Western conference universities have entered teams for the meet today and tomorrow. The other Big Ten squads, Michigan, Indiana, and Ohio State, will compete at Pennsylvania. For the first time, Notre Dame has divided its forces between the rival track centers. Coach John P. Nicholson, Notre Dame track coach, is referee of the Drake relays.

While the majority of the contestants did not work out yesterday, Texas, Rice Institute, and Oklahoma Baptist, from the south, and Fresno State and Compton Junior college, from the Pacific coast, were represented in the drills.

Expect Two Mile Relay Mark.

Among the records which probably will be broken is the two mile relay, although Indiana university's quartet, which last Saturday bettered the national collegiate record in the quadrangular meet in Bloomington, Ind., will compete at Penn. Notre Dame's two mile team, although beaten last week by Indiana, was timed in 7:46, which is three seconds faster than the all-time Drake record. Notre Dame also finished a close second, less than two yards back, to Indiana in the four mile relay last Saturday and the Irish are expected to take this event tomorrow.

Greg Rice, Notre Dame's national collegiate two mile champion, runs anchor for the Irish four mile relay team. He also will compete in the two mile race which will be one of the high spots of the games. Among Rice's competitors in this race will be Bill Feller of Drake, who finished second in the national collegiate race last year and who is the defending Drake champion; Walter Mehl of Wisconsin, who won the Big Ten indoor two mile race in March, and Ralph Halla of Yankton college, the winner of the two mile race in the recent Texas relays.

High Hurdles Attract Attention.

The 120 yard high hurdles also will be the center of attention for Fred Wolcott of Rice institute, who won at the Texas relays in the remarkable time of 13 9-10 seconds, will race against such men as John Collinge and Bush Lamb of Iowa; Boyce Gatewood of Texas, Harvey Woodstra of Michigan State, and R. V. Wright, Oklahoma Aggies, Missouri Valley conference indoor champion. Lamb is regarded as one of the best hurdlers in the central states.

Finals in two university relays and in three special events are on the program today. If the weather is favorable records may fall in three of these events.

Expect New Medley Mark.

The university sprint medley relay record of 3 minutes 27.9 seconds established by Ohio State in 1937 is regarded as the most likely Drake mark to be broken today. Last week the

Those Reds Are Easy Until the Ninth, Eh, Cubs?

The Cubs were shut out in the third inning yesterday, but judging from expressions of those on the bench big things were happening out on the diamond. Left to right: Manager Charley Grimm, Stanley Hack, Ken O'Dea, Gabby Hartnett, and Carl Reynolds. The Cubs won the game from the Reds, 12 to 5, but Bill Lee, the starting pitcher, could not survive the ninth. [TRIBUNE Photo.]

WEATHER MAN IS SOX FAN; FLOODS AWAY TIGER LEAD

BY EDWARD BURNS.
[Chicago Tribune Press Service.]

Detroit, Mich., April 28.—Dixie Walker and a big crew of groundkeepers this afternoon did their darndest for more than an hour to give the Tigers a victory over the White Sox. Dixie's first inning triple, good for two runs, was the former Sox's contribution. A full hour of sloppy labor was the part of the groundkeepers in the effort to salvage $12,000 and what would have been the Tigers' fourth victory of the season if the game had gone four more putouts. The score was 2 to 0 at the time a second rainstorm thwarted the Detroiters.

A cloudburst and hailstorm broke loose with two out in the Tiger third and the game was not resumed until an hour later. The sun was shining while the groundkeepers toiled but the heavens clouded up again just as they readied the field. The Tigers' third then was finished, as was the Sox fourth and two putouts in the Tiger fourth. Then water again came down in a big way and the whole thing was called off, the players going away as though nothing had happened, none of the accomplishments or shortcomings being recorded in the books.

Medwick Opens War on Dean, but Diz Says It's Ballyhoo

If there is to be a permanent Joe Medwick-Dizzy Dean feud it will be a very one-sided affair. Dizzy, by his own admission, will have no part of it. Dean claims, furthermore, that the whole thing is ballyhoo engineered by officials of the Cardinals to stimulate interest in Sunday's Cub-Cardinal game in St. Louis.

Joe Medwick.

Dizzy, whose determination to give his best for the Cubs is illustrated by the fact that it was necessary to wake him from a sound sleep at the commendably early hour of 9:30 last night, said he had demanded, in a telephone conversation with Medwick in Pittsburgh, an explanation of Joe's charges that Diz is a fellow who starts fights and lets some one else finish them.

Dean Demands an Accounting.

"I asked him what he meant," Dizzy said, "by writing a letter in which he said I had picked a quarrel with two newspaper men in Tampa, Fla., a year ago last spring and then ran out while the rest of the Cardinals carried on the fight.

"Joe, who always was a pal of mine, admitted he had written the letter, but explained that he had been ordered to do it by Sam Breadon [president of the Cardinals]. I knew then it was typical ballyhoo stunt. The Cubs play the Cardinals in St. Louis Sunday, you know, and the Cards figure the prospect of a battle on the field will pack 'em in."

The Medwick letter asked THE TRIBUNE to help offset "untruths" contained in a statement credited to Dizzy last week. Dizzy was quoted as saying he had no part in the "battle of Tampa," but merely was talking to a New York newspaper man in the lobby of the Cardinals' hotel. A Chicago writer joined the discussion, which then developed into a quarrel, and later, Dean's statement continued, when a number of the Cardinals entered, into a fist fight.

Dizzy Swung No Cleats.

Dizzy was quoted as saying he had no actual part in the fight and that the use of cleated shoes and other makeshift weapons which left their marks on the newspaper men was the idea of some other member or members of the Cardinal team. Medwick, the account said, was one of the leaders in the skirmish.

Dizzy said last night there was nothing warlike in his telephone conversation with Medwick. "It was just a discussion," he explained. "Why, Joe even told me I pitched a good game against the Cardinals last Sunday."

A portion of Medwick's letter to THE TRIBUNE follows:

"In fairness to myself and our ball club, I'd like to have you help us straighten out the record. Dean got into the row and we didn't even know he was fighting newspaper men when we came in and protected him. That's what we always were doing. He'd start a row and then crawfish out of it and leave us to fight his battles.

He Says He's No Fighter.

"I never have had trouble with newspaper men and don't think it's fair to let Dizzy get away with this untruth. I'm writing to you because you can help us present the truth.

"Dizzy Dean likes to start trouble, but he can't take it. Watch him. If he ever throws at anybody, it will be some little guy, and then he'll hide behind Hartnett and cry that he didn't do anything. We don't like cry babies, and we're not surprised that Dizzy is trying to blame his fights on somebody else. He probably figures he'd better look out for that Chicago writer, and he's right there, because anybody of man's size can take Dizzy Dean apart."

BULL LEA WINS RECORD RACE AND DERBY SUPPORT

Chicago Horse Speeds Past Menow in Stretch.

BY FRENCH LANE.
[Chicago Tribune Press Service.]

Lexington, Ky., April 28.—Kentucky goes for Bull Lea in the Derby.

The handsome brown colt owned by Warren Wright of Chicago shattered another track record at Keeneland this afternoon when he won the Blue Grass stakes, last Derby tuneup event for horses trained here in the famous American cradle of the thoroughbred.

Bull Lea smashed his way up from behind, took command twenty strides from the finish line and then beat the early pacemaker, Menow, from Hal Price Headley's barn, by a neck. Red Breast, owned by Mrs. Payne Whitney's Greentree stable, finished third, eight lengths back of the two leaders.

He Has Plenty of Speed.

The Blue Grass was at a mile and an eighth. Bull Lea's time was 1:49 3-5 and bettered the track record by nearly three seconds. He had cracked the mile and a sixteenth track record a week earlier when he beat Menow by four lengths. On that occasion, however, Menow was the victim of a bad start.

Today they were away on even strides and within a jiffy Menow raced into a lead of more than a length. He stayed there until Bull Lea thundered up from behind to conquer him in the last strides.

The first quarter was run in :23 3-5, the half mile in :47 2-5, the three quarters in 1:11 3-5, and the mile in the sensational time of 1:36 3-5. Bull Lea had his nose at Menow's saddle girth when the mile was rounded cut. Then, gradually, he drove up until his nose was showing in front. Finally in front, Bull Lea increased his advantage. In a few more strides there would have been daylight between the two horses.

Red Breast Fades Out.

Red Breast stayed close to the two leaders in the early stages but the lightning late pace was too much for him.

It was the most brilliant victory scored in the Blue Grass stakes by a Derby colt since Bubbling Over won it back in 1926 and the time was faster than Bubbling Over's.

Tonight all Kentucky believes a horse bred in old Kentucky—Bull Lea first saw the light of day at Coldstream farm not many miles away—and trained in Kentucky, will win the Derby.

Coldstream stud farm is owned by C. B. Shaffer of Chicago. Mr. Wright bought Bull Lea as a yearling for $14,000.

He runs in long, smooth, even strides. Last week, when he won at a mile and a sixteenth, he was in front all the way. Today he came from behind. The track was fast but Bull Lea is good in the mud.

Attendance Record Set.

The running of the Blue Grass wound up the annual spring season at the Keeneland course. The caravan of horses, horsemen, and their attendants was winding its way tonight toward the Derby scene at Churchill Downs.

It has been a remarkable spring season at Keeneland. All attendance and betting records for a Lexington track were shattered. The sun was shining on each of the eleven afternoons the horses raced. Some rain drops fell an hour before today's important race was run, but they were so few and far between the women did not have to rush for cover to protect their April finery.

LEE'S SHUTOUT VANISHES IN 9TH; BILL DOES, TOO

Bryant Called On to End Swoon.

BY IRVING VAUGHAN.

Another last minute fainting spell seized the Cubs yesterday, but this time it wasn't disastrous. Bill Lee, after eight brilliant innings, wilted in the ninth. The Cincinnati Reds, having been chained up all afternoon, went daffy once they got loose, but the Cubs previously had scored runs in such quantities that they were still able to capture the series opener with room to spare. The final count was 12 to 5.

Lee, who is still on the hunt for his first nine inning accomplishment of the year, was such an impressive workman for eight innings that the Reds hardly knew there were any bases on the premises. For five innings they produced only three hits, none of them getting to second base. In the sixth and seventh two of them found the middle bag on two extra base blows. In the eighth they swelled their hit total to seven and weren't subdued by Clay Bryant in the ninth until after there were seven more safe clouts, good for five runs.

Three Pitchers Suffer.

Three Rhineland pitchers were employed during the afternoon, and the Cubs apparently accepted all of them as cousins. They rattled Gene Schott with five hits for four runs in the second. They knocked him out and dented Rescuer Ray Benge a bit while scoring two more in the fourth. Benge was bounced for another pair of runs in the sixth. Then in the eighth Lloyd Moore performed and he couldn't compile the customary three outs until after three more Cubs had completed the base line journey.

A flock of Cubs came up with a couple of hits apiece and one of them even notched three, but for doing damage Augie Galan had no equal. He drove in two runs by doubling in the sixth. In the eighth there also were two mates waiting when he came up. This time he boomed a homer into the seats, his first round tripper of the season. The only other homer was the work of Frank McCormick.

Four Runs in Second.

Five hits and a pass went into the four run affair cooked up by the Cubs in the second inning. It began with Marty's scratch single toward third. Galan popped out and Lazzeri beat out a grounder which Frey knocked down but couldn't hold. O'Dea almost knocked Schott down with a line drive which rolled past second for a single, Marty scoring and Lazzeri going to third. Schott discovered the O'Dea blow hadn't done any damage and continued to pitch.

Lee helped to increase his lead by slipping a single between third and short. Lazzeri loped home on the hit. The bases were filled on a pass to Hack. Herman warmed up by slapping a half dozen fouls into the seats before becoming serious and singling to left, O'Dea and Lee scoring. Collins' attempt to pile more grief on Schott wasn't successful. He bounced to Frey and a double play resulted.

Limit Selves to Two Runs.

The fourth, in which the Cubs managed to limit themselves to two runs despite a single, two doubles, and two passes, opened with O'Dea singling to center and Lee drawing free passage. Hack hit the right field wall for two bases, O'Dea scoring. Upon arriving

GIANTS WIN 8TH STRAIGHT; BEAT BOSTON, 4 TO 2

Hal Schumacher Holds Bees to 5 Hits.

Boston, Mass., April 28.—(AP)—The New York Giants took possession of first place in the National league today by beating the Bees, 4 to 2, behind Hal Schumacher's five hit pitching.

Hank Leiber clinched the game in the first inning when he hit his third home run of the season with two on. The victory boosted the Giants' winning streak to eight straight and put them a full game in front of the Pittsburgh Pirates.

CARDINALS, 5; PIRATES, 3.

Pittsburgh, Pa., April 28.—(AP)—Pittsburgh's Pirates were beaten for the second time this season today, losing to the St. Louis Cardinals, 5 to 3, and dropping into second place in the National league.

Southpaw Bob Weiland, who beat Pittsburgh five times last season, held the Pirates in check during the early part of the game, but was relieved in the eighth after Arky Vaughan hit his second home run in two days. Joe Medwick and Johnny Rizzo each drove in two runs with triples early in the game.

INDIANS MAKE 11 RUNS; BROWNS CAN GET ONLY 6

St. Louis, April 28.—(AP)—The Cleveland Indians won from the Browns today, 11 to 6.

There were four home runs, two by Indians, and eight other hits which went for extra bases.

The Browns tied the score with a four run fourth inning, but after that they could drive in only one run with five hits. Twice batters tripled and were stranded.

SENATORS, 7; ATHLETICS, 2.

Philadelphia, Pa., April 28.—(AP)—Buddy Lewis' bat and Wes Ferrell's strong right arm combined to give Washington's Senators their fourth straight victory of the season over the Philadelphia Athletics today, 7 to 2, before a ladies day crowd of 9,100. Lewis drove in six runs with a home run and two singles. Ferrell scattered eight Athletic hits and was effective in the pinches.

Mel Almada was banished in the fifth for kicking Umpire Johnny Quinn during an argument about a called third strike.

Lee Swoons in Ninth, but Cubs Win from Reds, 12-5

[Continued from first sport page.]

at second Hack was surprised to find Lee there. Lee was equally surprised to see Hack. So Lee immediately lit out for third, which is where Hack could have gone if he hadn't been delayed. This was where Schott received orders to vacate, Benge moving in to the vacancy.

The rescuer immediately encountered bad news. Herman slapped a fly to right too close to the wall for Goodman to handle and it went for a two base hit, Lee finally scoring and Hack moving to third. Collins was purposely passed, filling the bases with none out. Demaree was eliminated on a pop to McCormick. The remainder of the inning was another double play, started on Marty's hopper to Frey.

Lee Checks Reds.

The first hit off Lee came at the start of the second inning. Lombardi, who is always tough for the Cubs, singled to left, but the next three men accomplished nothing. The next Rhinelander hit was Goodman's single past second with two gone in the third. Goodman bounced to Herman for the third out. In the fourth, Lombardi was up again. He singled to center with one out, but Hack started a double play on McCormick's hard hopper.

The best the Reds could do in the fifth was a pass to Frey with one out. The inning ended without the Rhinelanders finding out whether there was a second base. They finally made this discovery in the sixth. After Goodman had been thrown out by Herman, Riggs doubled to right center. Cooke then lined to Marty and Lombardi really failed to come through with a hit. He was thrown out by Lazzeri.

Galan Hits Double.

The Cubs' three runs in the sixth didn't come under the heading of earned. Hack led off with a bounder to Myers, who heaved the ball into the dugout, Hack taking second. Herman fanned and Collins popped to Frey for what should have been the third out. Demaree then walked. Marty cracked a single into right, Hack scoring. Demaree went to third and Marty sneaked down to second on the throw in. Both sprinted home on Galan's two bagger to left center. Lazzeri flied to Craft.

The Reds got another closeup view of second in the seventh. Craft doubled into the left field corner with one out, after which Frey popped to Lazzeri and Myers struck out. The Reds really were hot in the eighth. They had two men on the bases. Jordan, batting for Benge, opened with a single and after two were out Cooke singled. This brought up Lombardi again. He popped to Lazzeri.

Galan Socks Homer.

The three Cub runs in the eighth were hardly needed. Collins doubled off Moore and Marty walked. They preceded Galan across the plate when the latter blew his homer into the right field bleacher.

The first of the series of happenings which chased Lee off the scene in the ninth was McCormick's homer into the left field bleacher. Craft and Frey singled, and the former scored on a double by Myers. Pinch Batter Gamble struck out, but Goodman tripled, Frey and Myers scoring. Goodman counted on a single by Riggs, and this finished Lee. Cooke singled off Bryant, but the latter fanned Hershberger and McCormick tapped to Lazzeri for the final out.

Dean Will Try for Third Cub Victory Today

The Great Diz Dean, who has won his two starts since landing with the Cubs, will be placed in service this afternoon during the second of the series with the Reds. For an opponent Diz may draw Paul Derringer, the Cubs' No. 1 pitching enemy.

The Cubs will climb back into Pullmans tonight. Before returning to Wrigley field next Tuesday to open against the eastern clubs, Grimm's warriors must make a three day stand with the Cardinals at St. Louis.

Alex Kampouris, the Reds' second baseman, was left at home to nurse a charley horse. Lonnie Frey, who was a Cub last season, is subbing for Alex.

After Galan's eighth inning homer, Lazzeri drew a pass and O'Dea singled to right. Tony rounded second base, not suspecting the Reds would give him any attention. They did, and Tony was tagged before he could scamper back.

The Cubs' treasury department didn't have much trouble handling the receipts yesterday. The paid attendance was 2,832. The cool, threatening weather was responsible.

RED SOX WIN, 6-1; HALT YANK RALLY WITH TRIPLE PLAY

New York, April 28.—(AP)—The Boston Red Sox did everything right today—including the year's first triple play—to beat the world champion Yankees, 6 to 1, behind the pitching of Lefty Grove.

They pounded Lefty Gomez for four runs in the fourth inning and then watched as Grove finished off a five hit performance. Grove fanned five, and except for the third, when the Yankees scored their lone run, he allowed only two runners to get as far as second base.

The Yankees threatened in the ninth when a fumble and a walk put George Selkirk and Flash Gordon on first and second base. Joe Glenn, filling in as catcher for the injured Bill Dickey, lined to Jimmy Foxx, who tossed to Joe Cronin to complete a double play on Selkirk. Cronin shot the ball back and Foxx caught Gordon off first.

Rigney to Pitch Against Tigers for Sox Today

[Chicago Tribune Press Service.]

Detroit, Mich., April 28.—John D. Rigney, possessor of one victory and one defeat, each registered in a relief rôle, will pitch for the White Sox in the second and final game of the series against the Tigers tomorrow. He will be opposed by either George Gill or Schoolboy Rowe.

Don Ross, Tiger rookie third baseman who played in the opening series in Chicago, was out today with a severe cold.

A crowd of about 15,000 was present today. Many letter writing fans who wrote the management and the press that they never would enter the ball park until Gee Walker came to town failed to reach the park.

The new Briggs stadium is all that Detroit braggarts have been saying about it. It's a beautiful, symmetrical layout with a seating capacity of 60,000. Double deck stands surround the field, with the uncovered bleachers forming a second deck in center field.

Rudy York, who was slated to break Babe Ruth's home run record because he hit 18 homers last August, has been benched because of light hitting.

NAGURSKI MATCH INSPIRES LONDOS, ALI BABA TONIGHT

There's Grudge Angle, Too; 5,000 May Attend.

Jim Londos and Ali Baba will wrestle for the second time in a month in International Amphitheater, 42d and Halsted streets, tonight. Their last meeting was such an artistic and financial success that Promoters Ed White and Fred Kohler arranged the encore.

Londos won a disputed decision in their previous encounter. Many of the nearly 4,000 who filled the Coliseum north hall to overflowing on that occasion to see Londos make his 1938 debut in Chicago left in the belief the victory was a lucky one. Baba fell out of the ring and was counted out.

That was sufficient to convince the promoters that a return bout would meet with greater success. Arrangements are being made to handle more than 5,000 fans. Besides the alleged grudge aspect, Dick Axman, publicity director, revealed the winner tonight will be rewarded with a match against Bronko Nagurski, title claimant, next summer.

Londos weighed 200 pounds to Baba s 205 for their last engagement. This evening's match is set for one fall with a one hour limit.

Preliminary bouts bring together Bobby Bruns and Orville Brown, Rudy Kay and Jim McMillen, Joe Corbett and Ruffy Silverstein, Chief Little Wolf and Fritz von Schacht and Firpo Wilcox and Rudy Strongberg. The Wilcox-Strongberg bout is booked for 20 minutes and the others for half an hour.

Rocco Valento, west side amateur middleweight, and Jimmy Davenport of the south will meet in a featured bout in the first outdoor show this season in Western stadium, Western and Devon avenues, tonight. Three other amateur programs also are scheduled. Mike Adler, 1935 Catholic Youth organization heavyweight champion, is paired with Bill Gillespie, Karl Ogren's protégé from Stone Lake, Wis., in Madison Athletic club, 4711 West Madison street. Harold Rodie, 152 pound representative of the 124th Field Artillery armory, takes on Ike Gaynor in the secondary feature. Eddie Lander, Franklin Park boxer, will make his first appearance as a featherweight against Joe Rossano in Northwest arena, 3968 Milwaukee avenue. George Kontopolis, this year's novice Golden Gloves welterweight title holder, clashes with Lupe Munos of Aurora. A set of matches between fighters representing Marquette and Stanford parks will be held in Marquette gymnasium, 68th street and Kedzie avenue. . . .

Jacobs Says Schmeling Is a Sure Thing

New York, April 28.—[Special.]—Joe Jacobs, fight manager, returned today after attending the Max Schmeling-Steve Dudas fight in Hamburg, and declared that the German heavyweight "never looked better in his life, and that he will win by a knockout over Joe Louis on June 22."

Jacobs said the three fights Schmeling has had in the last six months have kept him in excellent trim. Jacobs expressed surprise that the Twentieth Century Sporting club, which will promote the fight, has set only $30 as the top price for a ringside seat.

"Only $30!" he exclaimed. "They should get $50."

He was pleased, however, when reminded that the stadium will hold 80,000 fans.

"With the radio broadcasting and other rights that should go over a million dollars," Jacobs said.

He brought back with him a huge cuckoo clock to give to Joe Louis. Joe, when he learned Jacobs was going to Germany, asked him to bring back "a clock just like Bill Robinson [the Negro tap dancer] has.

Jacobs spent $16.80 for the clock and had to pay 50 per cent duty. He said he was glad to give the clock to Louis, because "every time he hears it he will think of Max."

Morton Defeats Proviso Nine, 6-5; Waukegan Wins

Waukegan and Morton of Cicero continued undefeated in Suburban league baseball yesterday, Waukegan routing Highland Park, 12 to 0, and Morton going an extra inning to beat Proviso, 6 to 5. For Waukegan it was the fourth victory, while Morton won its third straight.

Peterson of Waukegan limited Highland Park to four hits, while his teammates made 14.

Morton won in the eighth when Ishalco singled, stole second, advanced to third on an error, and scored on an infield out. Proviso had tied the score in the sixth. Polivka, Morton hurler, yielded only six hits and struck out 16.

Steinmetz scored its seventh successive victory in the Chicago Public High School league west section by whipping Foreman, 15 to 9. Warren Lorenz, Steinmetz shortstop, hit for the cycle with a single, double, triple, and homer in four times at bat.

Tilden of the central section beat Calumet of the south section, 8 to 6, in a practice game that went nine innings. Scores:

Two teams of Lake Shore Athletic club bowlers will bowl today in the Illinois state bowling tournament at Peoria.

Europe's Best to Battle for Trip to Chicago

[Continued from first sports page.]

Golden Glovers to a 4 to 4 tie. Runge of Germany, who holds the Olympic title, was knocked out by Lem Franklin last May to give Chicago a 4 to 4 tie.

The heavyweight encounter between Runge and Tandberg of Sweden is a topic of conversation along Unter Den Linden tonight. Tandberg whipped the German for the European title last year in Milan, but was unable to make the trip to Chicago because of illness. Runge previously had won a decision over the giant Swede for Olympic honors. They fought recently in Stockholm, where Tandberg was given the decision.

Vogt Is Very Good.

Germany's strongest candidate is Vogt, light heavyweight, who has had such whirlwind success in European competition in the last year it has become difficult to find opponents for him.

Kuss of Czechoslovakia was chosen as Vogt's opponent because of his knockout record. Kuss has won thirty-six out of sixty-nine bouts by knockouts. Germany's Murach, who was strong enough to win in Chicago last spring, has two rivals on tomorrow's card who have whipped him in the last year. Clancy of Ireland holds a decision over him and Kolczynski of Poland knocked him down twice in the first round two months ago to gain a decision at Warsaw.

N. U., Iowa Tennis Match Opens a Busy Week-End

Northwestern university's tennis team will seek its second straight conference victory today when it meets Iowa in Evanston. The Wildcats opened their season with a 7 to 0 victory over Purdue last week.

Today's tennis match will open a busy week-end for all Northwestern athletic teams. Seven members of the track team left last night for Des Moines, where they will take part in the Drake relays today and tomorrow. Those who made the trip were Henry Keitel, Chet Ensley, Jack Risley, and Jim Catlin of the mile relay team; Gene Hathaway, hurdles; Frank Nelson, pole vault, and Norm Ogilvie, javelin. Jim Delaney, sprinter, was unable to make the trip because of a leg injury.

The baseball team will be out after its first conference victory in a two game series with Indiana in Bloomington today and tomorrow. Northwestern's golf and tennis teams will be host to Wisconsin in these two sports in Evanston tomorrow. An intra-squad football game in Dyche stadium tomorrow afternon will climax the week-end program. The game, which will be between two picked teams, will wind up six weeks of spring practice.

Illini Poloists Beat Alabama Poly, 5 to 4

Champaign, Ill., April 28.—[Special.]—The University of Illinois R. O. T. C. polo team opened its season today by defeating Alabama Poly, 5 to 4. Fred Wright, Illinois captain, scored three goals, while McNulty led the visitors in scoring with two goals.

DISMISSED COACH SAYS HE DOESN'T WANT JOB BACK

Virginia, Ill., April 28.—(AP)—Amos [Pop] Mahan, Virginia High school basketball coach and commerce instructor, tonight announced his intention of stepping aside in favor of the wishes of the local board of education, which failed to rehire him for the 1938-'39 school year.

The failure of the board to rehire Mahan drew the ire of the 154 high school pupils, who on Monday and Tuesday refused to attend classes.

The board yesterday announced it would distribute questionnaires to the parents of each pupil, seeking an expression on whether Mahan should be rehired, but Mahan said he would "not consider his job back, regardless of what turned up."

Course Is Unfit; British Open May Be Shifted

LONDON, April 28.—(AP)—The Royal and Ancient Golf club of St. Andrews announced today that because of unfitness of the Royal Cinque Ports Golf club course, the British open tournament, starting July 4, probably would be held on the Royal Saint George's club course in Sandwich.

Birk Bowlers Win Randolph League Title

The Birk Brothers Brewing team dethroned the Mineralites as champions of the Randolph Bowling league last night by completing their season with 64 victories and 26 defeats on the 29 West Randolph street alleys. The Mineralites finished second, one game behind the 1938 American Bowling congress champions.

In last night's matches the Birks rolled 954, 1,008, and 1,030 to win two of three games from the Beich Candies, who shot 903, 1,042, and 1,026. The Mineralites beat the Joseph Butlers twice.

During the session Elmer Baumgarten, secretary of the A. B. C., presented the Birks their $1,000 check and diamond medals which they earned with a five man score of 3,234 in the thirty-eighth A. B. C. meet, which ended April 19 in the Coliseum.

George Theel of the third place Budweisers won the individual championship by collecting a 675 series. He finished with an average of 208.13 to beat out Bud Wright.

Smokers' Test shows Vintage Tobacco is at least 25% easier on your breath

WHITE OWLS are definitely easier on your breath—scientific tests prove it. And there's a good reason why, too. Every White Owl always has a Vintage-tobacco filler. Nature—not artificial factory processing—made this tobacco exceptionally mild.

We maintain a vast crop-inspection system—only known organization of its kind—to locate Vintage tobacco. In Vintage years, we classify all filler tobacco into seven grades—buy only tobacco of the quality of the top three for White Owls.

Try a White Owl today. You'll enjoy this fragrant cigar and make a hit with the ladies.

5¢ Vintage WHITE OWL

THE METALLIC NOSE KNOWS

Scientists use a sensitive osmoscope to measure odor . . . to record its intensity and lasting power. Ten popular brands of 5¢ cigars were tested by this machine. White Owl was at least 25% easier on the breath than all the others. After 20 minutes, all trace of tobacco odor disappeared from the breath of White Owl smokers.

LIFT KURTSINGER BAN FOR MATCH RACE AT BELMONT

Jocky Probably Will Not Ride Menow in Derby.

New York, April 28.—(AP)—Charley Kurtsinger and the Brookmeade stable patched up their differences today, but the jocky in all probability will not ride in the Kentucky Derby on May 7. He will, however, pilot War Admiral in the match race against Seabiscuit at Belmont Park on Memorial day.

After notifying the Jamaica stewards that Kurtsinger had been restored to good standing Trainer Hugh Fontaine of the Brookmeade stable said the jocky's services would be needed on Derby day to ride the stable's Handcuff in the Pimlico Oaks. Brookmeade's Traffic Light is eligible for the Derby, but will not start.

Kurtsinger indicated he still had hopes of riding Hal Price Headley's Menow in the Derby.

"That's a matter that has got to be worked out," said Kurtsinger. "Mr. Headley wants me, and I sure would like to be on Menow's back, for I think he is going to be a mighty tough horse to beat."

Will Ride Tomorrow.

The veteran Louisville jocky will return to the saddle Saturday and probably will ride Mrs. W. P. Stewart's Pasteurized in the Wood Memorial at Jamaica.

Menow caused all the trouble in the first place. Kurtsinger acted against stable orders by going to Keeneland to ride the Headley colt in his 3 year old debut on April 15. Fontaine refused permission because several Brookmeade horses were running at Jamaica the same day.

Kurtsinger won the race with Menow and was back at Jamaica the next day, but Fontaine suspended him for disobedience after consulting Mrs. Dodge Sloane, owner of the stable.

Pollard Works Seabiscuit.

If he does not ride in the Derby Kurtsinger will miss an opportunity to tie Earl Sande and Isaac Murphy at three winners each. Charley set a Derby record of 2:01 4-5 with Twenty Grand in 1931 and won last year with War Admiral in 2:03 1-5, the second fastest time in Derby history.

John Pollard, Seabiscuit's regular jocky, arrived at Belmont Park today and was immediately hoisted into Seabiscuit's saddle for a slow gallop of a mile and a quarter. Pollard's collar bone, broke in a spill at Santa Anita last February, has mended completely.

War Admiral worked a brisk half mile in 47 3-5 seconds and eased up to five furlongs in 1:01 3-5.

Winner ch. f., 4, by Gallant Knight or St. Henry-Dona Juana. Owner, Mrs F. Rossiter. Trainer, R. A. Johnson. Start good. Won handily, place driving. Went to post at 5:25. Off at once.

SAIDONA, within striking distance from start, came through on inside entering stretch, took command with bold rush and was being eased at end. HIT AND RUN had a rough trip and closed with good speed on inside. TIEMPO lost ground entering straightaway and came gamely. POPO and SHOT AND SHELL were used up setting and pressing pace.

SEVENTH RACE—Mile and one-eighth. Four year olds and up. Purse $1,000. Net value to winner, $700; second, $150; third, $100; fourth, $50.

Owner, Mrs. G. C. Brenton. Trainer, G. C. Brenton. Start good. Won easily, place driving. Went to post at 5:55. Off at 5:57½.

DIAN, well placed in early running, went to top with bold rush, opened a gap and won easily. GRACE GRIER took command entering backstretch, set pace to turn and continued willingly when displaced. INFILEE moved up menacingly on swing to stretch but hung thereafter. JUDGE HASTEN closed well. ZINNIA tired from hustling tactics in moving up along backstretch. HAPPY ROAD stopped. MOVE FASTER was pulled up when in tight quarters during first half and weakened thereafter. LITTLE WACKIE showed dull effort.

Large Field Expected for Inaugural Race

The largest field ever to go to the post at the Aurora race track is expected for the Fox Valley Inaugural handicap, opening day feature of the Chicago racing season on Monday.

Entries close in Racing Secretary Dick Leigh's office today. A canvass of the horsemen indicates that a field of 20 is likely to be put in nomination for the six furlong dash. Given a fast track, most of them will be in the Bahr starting gate when Johnny Morrissey sends the field away.

Likely Starting Field.

Those expected to be named for the race, with owners, are:

Leading Article..... B. P. Woodson
Bien Fait..... A. G. Tarn
Faust..... A. G. Tarn
Chance Ray..... C. E. Davison
Verging Away..... Frank Scremba
Lucky Ducky..... Frank Scremba
Cardinalis..... P. L. Kelley
Transmutable..... I. C. Little
Cardarrone..... Jack Newman
Miss Dolphin..... Mrs. A. M. Creech
Black River..... Mrs. Rose Sullivan
Company..... D. L. Horton
Allanwood..... Mrs. C. E. Dale
Little Drift..... Mrs. M. Martin
Dolly Val..... J. Emery
Prince Argo..... B. Hernandes
Ding Bin..... William Day
Fire Advance..... S. J. Molay
Wild Pigeon..... Mrs. G. Scallon
Getalong..... F. Weller

Most of the 20 are at Aurora now and have been working for some time. Miss Dolphin, which recently won the Claiborne handicap at Keeneland, is expected tomorrow, according to word from the Creech stable.

Miss Dolphin, Leading Article, Cardinalis, or Transmutable may be the favorite. The latter always has favored the Aurora racing strip and will go especiallly well should the going be soft, as will Black River and Ding Bin.

Fitz Gerald Due Today.

Christopher J. Fitz Gerald, representing the Illinois racing commission at Chicago tracks, is due to arrive today to supervise the licensing of trainers, jockies, and stable help for the Illinois season. Fitz Gerald will have as fellow stewards at Aurora J. T. Ireland and Richard Leigh. Ireland has served in the Aurora stand for many years. Leigh replaces T. C. Bradley.

According to the list of officials submitted to the racing commission for approval, placing judges for the meeting will be Cliff Abbo, Fred Crafton, and Raleigh Leigh. Crafton, formerly an Aurora official, is returning after several years at Narragansett Park. He also will serve as clerk of course.

Paving of the road from the main highway to the Aurora parking lots has been finished and plenty of space has been assured for the racegoers' cars. With the acquisition of the airport adjoining the track, there will be accommodations for 10,000 cars.

MARK 7TH YEAR OF BROADCASTS IN 7 LANGUAGES

But WGES Puts Emphasis on Americanism.

BY LARRY WOLTERS.

Station WGES has just rounded off an unusual record—seven years of broadcasting in seven languages seven hours a day seven days a week. The languages, in addition to English, are Polish, German, Italian, Lithuanian, Yiddish, and Slavic. On all these broadcasts announcements in foreign languages are repeated in English.

The station stresses Americanism and offers several service programs of special interest to the 200,000 aliens in the city. Lessons in Americanism are given in a broadcast at 3:45 p. m. Wednesday. Fred Schlottfeld, director of immigration and naturalization, on these broadcasts gives instructions on how to become naturalized.

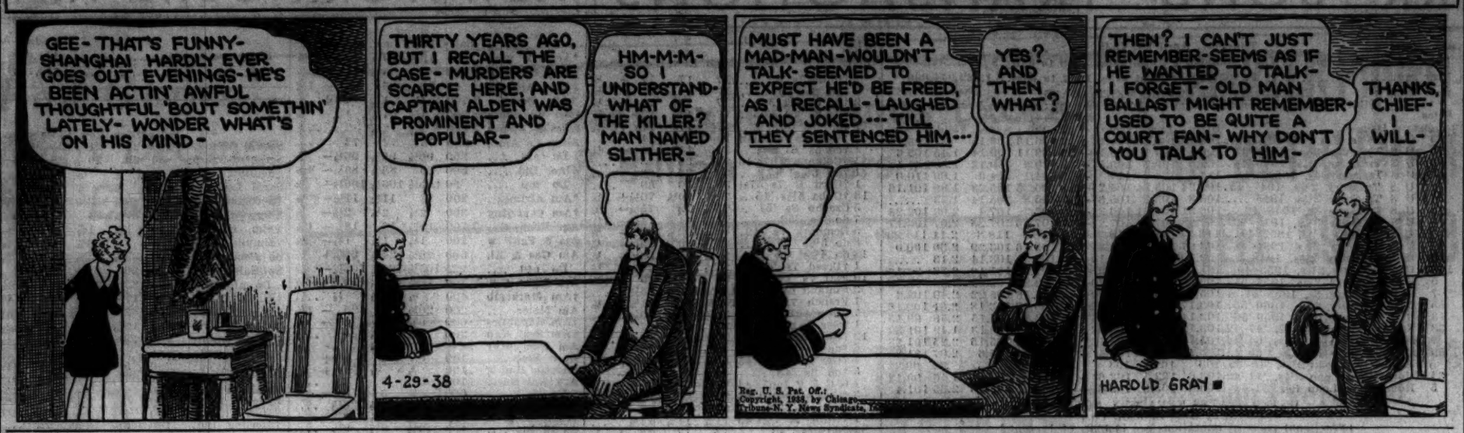
The Daughters of the American Revolution conduct an advanced school on Americanism at 3:30 p. m. Fridays. Just now the D. A. R. is sponsoring a contest of play writing on the theme of Americanism for children in county schools of the state. The author of the winning play, in addition to having it presented on WGES, will receive the organization's history medal. Noble J. Puffer, county superintendent of schools, and Richard Kross, program director, are the judges.

W-G-N-Mutual will air the first of Henry Weber's streamlined opera in English series next Monday evening with a 45 minute adaptation of "Martha." Attilio Baggiore, Kathryn Witwer, Elizabeth Brown, and Mark Love are to sing the leading parts. Lou Jackobson and Fran Coughlin are writing this series.

News and notes: Cliff Soubier, who formerly played in First Nighter, NBC Minstrels, and other shows here, has returned to Chicago studios after two years of radio and movie work in Hollywood. . . . Quin Ryan is dispensing a rabbit's foot to every guest on his sports celebrity parade. . . . As his contribution to National Music week Ranson Sherman, on the Club Matinée broadcast next Tuesday, will call on aspiring singers in the audience to step to the microphone and lift their voices. . . . Swing addicts can get all they want via WIND these nights. Station now airs 2½ hours of dance music from night spots and then from midnight to 4 a. m. regularly puts on the Night Club of the Air, using recorded music.

Fred Allen had a lot of fun for himself burlesquing the Lone Ranger and We, the People programs Wednesday night. . . . The Allen-Jack Benny feud of the airways moves to the speedways at 5:45 today via WMAQ with a pickup of the Fresno State College Hack race in which Benny's "Maxwell" will be pitted against Allen's entry "Titmouse." . . . Bob Elson's chance interview on his Man on State Street program of an official from St. Vincent orphanage has resulted in a flock of inquiries by prospective foster parents.

LITTLE ORPHAN ANNIE: When Justice Triumphed



MOVE TO PROTECT WILL CO. BOOKS IN $600,000 SHORTAGE

An injunction to forbid destruction of records bearing on the $594,431 shortage charges against former Treasurer Herbert R. Jones of Will county will be asked in Joliet today, according to William D. Heise, attorney for the Columbia Casualty company.

The company will seek the injunction against Ben Jones, for whom it was surety when he was treasurer from 1918 to 1922. He is an uncle of the defendant. It was during Ben Jones' régime that $163,000 of the money vanished, Herbert Jones asserted in answer to the charges Wednesday. Herbert said his father, the late Frank R. Jones, and the uncle abstracted the funds. Herbert was treasurer from 1930 to 1934.

Because Herbert said $303,825 of his alleged shortage is in closed banks, considerable interest was shown in a decision yesterday in the case of Hjalmar Rehn, former Will county state's attorney. Judge Edwin L. Wilson entered a judgment against him and his sureties for $11,546 in county funds lost through bank failures.

TAKE FINAL SLAP AT SPRING CROP OF MOSQUITOES

The Des Plaines Valley Mosquito Abatement district got in its last licks yesterday against the spring crop of woodland mosquitoes. J. Lyell Clarke, sanitary engineer for the district, made a final inspection of the pools along the Des Plaines river, Salt creek and Anderson creek, where sprays have been used to kill the pests. A like campaign will be waged in June, when the flood water crop of mosquitoes will be hatched in the marshes and back waters.

Meanwhile, residents of north shore suburbs were hurrying to screen their windows today to repel an annoying number of wasps brought out by the warm weather. Some were buzzing in train cabs yesterday, and others infested the Northwestern university campus. Many were found around the Wilmette harbor.

Christmas Pup Gets Rabies; Bite Kills Young Master

Indianapolis, Ind., April 28.—[Special.]—The high point of last Christmas for Cecil E. Hughes, 15 years old, was when he received a squirming, little puppy. Today the boy is dead as a result of bites by the dog, which had contracted rabies.

Day By Day Story of the Experimental Farms

By Bob Becker

Nature's Finery.

April 28, 1938.

ALL the color and fragrance associated with spring in the country are present on the Du Page county farm and elsewhere in Chicagoland this week. Responding to the impulse that rain and sunshine bring to mother earth at this season of the year, the flowering trees and wild flowers are hurrying to bedeck themselves in their gayest.

When we walked over the farm this week to log the advance of spring we found the greens more intense and more widespread in the woods and thousands of new wild flowers in blossom. The dog tooth violet and spring beauty display is fading. But eagerly taking the place of these wild flowers are thousands of tall, dark-flowered trilliums, white anemones, and large beds of deep blue violets.

Orchards in Bloom.

The farm orchards feature new spring blossoms, too, as both the cherry and the apple trees are in flower. And they are beautiful when seen from a distance against the deepening green of the woods. The magnificent display of flowers which both the wild crab apple and the haw trees provide every season is just starting.

With each day of warm sunshine additional trees will unfold their buds and provide more color and fragrance to the woods. When the pinkish white flowers of the wild crab and the haws get together for their spring flower show one corner of the farm is rich in color and fragrance.

The mandrakes now are more than a foot high and beneath their broad umbrella leaves are large buds which later will change to heavy scented white blossoms. The earliest of the northern pine, black and burr oaks are now developing their catkins.

Plum Trees Blossom.

Walking through one stand of timber we saw an excellent illustration of how conservative both the shagbark and the bitternut hickory trees are at this season of the year. Whereas these trees are just beginning to show signs of life, near by were small wild plum trees in full leaf and with hundreds of blossoms on them.

Now that the spring beauty and the dog tooth violets are fading, honors for the week easily go to the trilliums and violets. In one square of oak timber on the south boundary of the farm these two wild flowers have taken the spotlight from all other growing things in woods.

But apparently the trilliums are not at all particular about the company they keep. Growing all around one particularly beautiful patch we found many wild onion plants. Here was a case of an aristocrat among our spring flowers associating with a plant family that is most unpretentious and humble. Violets, trilliums, spring beauty, and wild phlox are plants of distinction and beauty. The wild onion, strong in odor and taste, has no flower at all and looks like just another weed.

ST. ALBAN'S TO CLOSE; LACKS OPERATING CASH

Sycamore, Ill., April 28.—[Special.]—St. Alban's Academy for Boys will close down June 5, the end of the present school year because of financial difficulties. This was announced tonight by Headmaster Charles L. Street. The school's enrollment is mostly from Chicago and Evanston. It now has forty-two students.

Dr. Street announced that the school has been in serious financial circumstances for several years and that enrollment during the last eight years has been too small to maintain the institution despite generous contributions. Dr. Street already has resigned, effective June 30. He has been at the academy ten years.

St. Alban's, an Episcopal institution, was founded in 1890 at Knoxville, Ill. It moved here in 1919, taking over old Waterman Hall, a school for girls.

FEDERAL TRUST PROBES TO GET MORE PUBLICITY

Program Provides Guide for Business.

New York, April 28.—(AP)—The federal government will give increased publicity to its anti-trust investigations and prosecutions in the future in order to provide business a guide and a warning, Assistant Attorney General Thurman Arnold announced tonight.

The former Yale university law professor, who recently became chief of the justice department's anti-trust division at Washington, outlined this policy in an address before the Trade and Commerce Bar Association of New York.

He said it was well known that business men had always found difficulty in interpreting the policy of the department as to what would and would not be prosecuted under the anti-trust laws.

Gives Hint on Program.

Arnold mentioned President Roosevelt's desire to tighten the anti-trust laws, and gave a possible hint as to some of the recommendations the President may make in an anti-monopoly message to congress shortly. He attended a conference on the subject at the White House today.

"There are unquestionably better ways of investigation than by a grand jury," the assistant attorney general declared. "There are also means of implementing the civil process so that the criminal procedure will not be the only effective deterrent. An analysis of present procedure also indicates that the power of public investigation on the part of the department might clarify the task of making its policy public and intelligible."

His proposed public statements in connection with individual cases would be an aid to intelligent amendment of the law, Arnold said.

Useful to Congress.

"They can serve to call the attention of congress to particular uses of legal privilege such as patents, copyrights, credit, corporate forms of organization, etc., which are being used in particular industries," he said.

Arnold in effect rejected proposals that the justice department inform corporations, on the basis of information they submit, whether a proposed course of action would violate the anti-trust laws.

"The first step by a large organization in a plan of monopoly control is often the first move in a chess game," he said, "and the player on the opposing side cannot possibly guess the strategy behind it. There is no way of telling whether or not the particular plan adopted is a Trojan horse."

Columbia Broadcasting.

Investors' Guide: I notice that the radio broadcasting industry is making a good showing despite the depression. May I have your comments on the Columbia Broadcasting System?—J. T. L.

Answer: Columbia Broadcasting System, Inc., operates one of the three major broadcasting systems in the United States. In addition to supplying program service to independent radio stations, it owns a number of stations. A subsidiary also supplies entertainers for hotels, night clubs, and parties.

The principal source of revenue is the sale of time on the network of stations. Despite the current business depression, sales of time for the first quarter of this year rose to $8,628,689 from $7,202,653 in the corresponding 1937 period, a gain of 19.8 per cent.

W. S. Paley, president, has announced that plans have been made for a series of television programs soon.

Net income of the system for thirteen weeks ended April 2 was $1,494,980, or 88 cents a combined class A and class B share, compared with net income of $1,319,426, or 77 cents a share, in the corresponding period a year ago.

For all of 1937 the system had gross revenues of $34,239,896 and net income of $4,297,567, or $2.52 a combined class A and B share, compared with revenues of $27,780,301 and net income of $3,755,523, or $4.41 a share on the number of shares outstanding at the end of the preceding year. Net income was $923,794 in 1933 and $474,203 in 1929. Or March 24, 1937, authorized amount of each issue of class A and class B stock was increased from 750,000 to 1,500,000 shares, the par value was reduced from $5 a share to $2.50, and the shares were split two for one.

There were 949,026 class A shares and 758,924 class B shares outstanding at the end of 1937. Holders of each class of stock elect half the board of directors. Otherwise privileges of the two classes of stock are identical. The company has no other class of stock or any funded debt.

The system reported current assets of $6,059,962 and current liabilities of $3,221,765 at the end of 1937. Total assets were $13,572,635. Dividends totaling $2.60 a share were paid on each class of stock in 1937 and a 40 cent payment was made March 11.

Stock of Columbia Broadcasting deserves a fairly good rating in view of the progress being made by both the company and the industry.

STANDARD OIL'S FIRST QUARTER PROFIT LOWER

Business in March Is Little Improved.

Standard Oil Company of Indiana operations were "in the black" for the first quarter, although profit was less than that in the corresponding 1937 period, Edward G. Seubert, president, said yesterday, prior to the annual stockholders' meeting at Whiting, Ind.

Edward G. Seubert.

Business in March did not show much improvement over January and February when operations were at the lowest level of the current recession, Seubert said. He pointed out that, although the quantity of gasoline sales had shown an increase over the first quarter of 1937, price cutting had reduced the dollar receipts.

Fuel Demand Smaller.

"While our sales of gasoline have increased in volume over 1937," he said, "over all sales of products have not held up because of a drop in the demand for industrial fuel and lubricants. We probably won't see as great an increase in gasoline consumption in 1938 over 1937 as there was in 1937 over 1936."

The petroleum industry, Seubert said, is more stable than most industries from the standpoint of volume sales, and appears to be operating at a higher level than most other lines, such as steel and automobile companies and the railroads.

The company has reduced its gasoline inventories this year by more than a million barrels by not processing, Seubert said. He said he hoped that the oil industry would make some retrenchments in its operations to avoid increasing large stocks of gasoline and crude oil now on hand.

Stocks Are Large.

He estimated that about 90 million barrels of gasoline are on hand in this country and 315 to 320 million barrels of crude oil are above ground. Although the industry's inventory position is critical, Seubert said that he hoped a reduction in prices of crude oil could be avoided.

Commenting on oil operations in southern Illinois fields, Seubert said that his company had not been successful in drilling so far. He said that Illinois had moderate possibilities as an oil producing state, but would probably never equal such states as Texas and California.

"We have made practically no layoffs since the first of the year Seubert declared. ' A few temporary employés hired last year for construction work have been let go. Our pay rolls are 5 to 10 per cent higher than they were a year ago. Costs of raw materials have held about steady this year.

Will Build Less This Year.

He indicated that the company's construction program for this year would require an outlay considerably less than the $63,000,000 spent in 1937. The advertising budget is about equal to that for last year.

The company disposed of its Mexican oil properties in 1932, and was not directly concerned with the problem of the seized properties, Seubert said.

At the annual stockholders' meeting in Whiting, all directors were reelected. Officers were reëlected at the directors' meeting.

DELAWARE AND HUDSON TO SELL N. Y. C. HOLDINGS

New York, April 28.—[Special.]—The Delaware and Hudson company's $11,000,000 investment in the New York Central, last of the financial coups scored by L. F. Loree, who retired from the presidency of the D. & H. on March 31, will be sold, it was disclosed today. The holdings gave the D. & H. more than 7 per cent of the trunk line's capital stock.

The D. & H. sold securities on which $500,000 interest had been received annually in order to buy 495,000 New York Central capital shares in 1932. The holding company has realized nothing from the investment, and the price of the stock is now around $12, compared with an average price of $22.36 a share paid for it. The commitment necessitated the omission of dividends on D. & H. stock for the first time since 1880.

The company announced today that Joseph H. Nuelle would be elected president of the corporation and its subsidiaries at the annual meeting on May 10.

SILVER SEIZURE ORDER REVOKED BY ROOSEVELT

Washington, D. C., April 28.—(AP)—President Roosevelt today revoked a 1934 proclamation requiring every one to turn into the treasury any silver not in the form of coin or needed for genuine industrial or artistic purposes.

Treasury officials said that practically all the silver involved had been purchased by the treasury at the rate of 50 cents an ounce and the old regulations were revoked to simplify procedure in handling newly mined silver. The treasury pays 64.64 cents an ounce for the newly mined stocks.

Under the nationalization program 113,031,400 ounces of silver have been turned into the treasury.

Few Gains, Many Declines in Earnings

Although lowered profits or net losses for the first quarter of 1938 again predominated in corporation earnings statements issued yesterday, several prominent firms showed increases. Among those reporting higher earnings for the March quarter, compared with 1937, were United Aircraft corporation, National Distillers Products corporation, and Union Bag and Paper corporation.

Moderately lower earnings were shown by Parke Davis & Co., and sharper declines were reported by Otis Elevator company, Food Machinery corporation, Continental Steel corpation, and Skelly Oil company.

Among those companies which had net losses for the first quarter were Electric Auto-Lite company, United-Carr Fastener corporation, Crosley Radio corporation, the Pittsburgh Coal company, and the Diamond T Motor Car company.

Defer Dividend Despite Rise.

Although Union Bag and Paper corporation earnings of $354,250 for the first quarter were the second best for any quarter in the company's history, directors decided yesterday to defer the common dividend declaration "in view of uncertain business conditions," according to Alexander Calder, president. The company paid 12½ cents in February. In the first quarter of 1937 profit was $326,917. Sales for the March quarter were $3,908,854, against $3,877,907 in the corresponding 1937 period.

Net profit of United Aircraft corporation in the first quarter climbed to $1,072,298, compared with $698,852 in the March quarter of last year. Per share figures were 42 cents for 1938 and 28 cents for 1937.

Crosley Radio Has Loss.

The Crosley Radio corporation had a net loss of $25,774 for the first quarter compared with net loss in the 1937 quarter of $31,559. The 1937 loss, however, included deduction of $250,000 for flood loss, before which profit was $218,451.

The 1938 first quarter report of Electric Auto-Lite showed a decrease of 50.2 per cent in sales and 59.8 per cent in production, compared with 1937. Net loss for the period of $32,242 was in sharp contrast to net profit of $1,149,630 in the 1937 first quarter.

Net profit of Parke-Davis slipped slightly to $2,303,750 or 47 cents a share for the March quarter, compared with 52 cents a share a year ago.

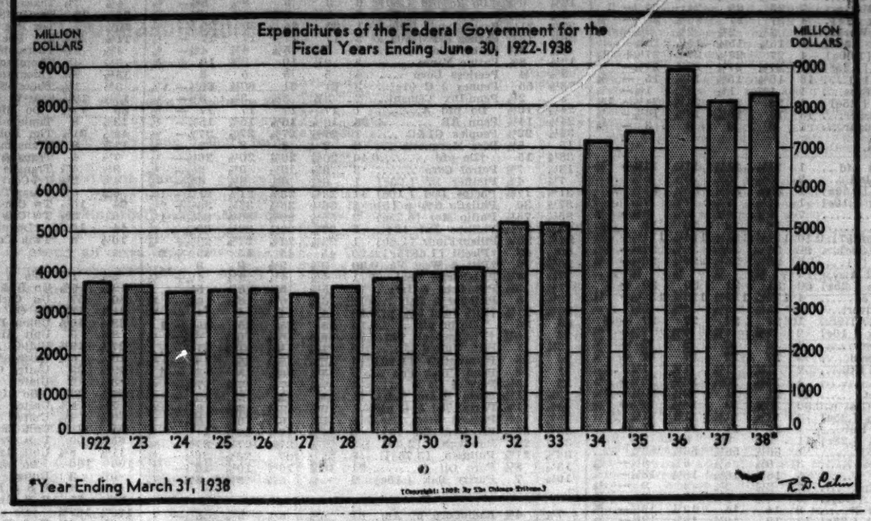
House Passes Measure to Aid Merchant Marine

Washington, D. C., April 28.—(AP)—The house passed and sent to the senate today a bill designed to rehabilitate the merchant marine, partly by making it easier for private shipowners to replace obsolete vessels. There was no record vote. Passage came after midwestern members led a successful fight to strike from the legislation provisions for federal subsidies for intercoastal shipping.

Current Year's Expenditures Exceed 8 Billion Dollars



Upturn Seen by Interlake Iron Head

C. B. Caldwell, president of Interlake Iron corporation, leading independent pig iron producer, yesterday reported to stockholders at the annual meeting that he believed the decline in operations in the industry had reached bottom. He was hopeful, he said, of an upturn in business activity, but did not know how soon the improvement could be expected.

Walter Paepcke reports outlook unpromising.

April shipments of the company, Caldwell said, declined from the preceding month, which had shown some improvement over February.

George F. Getz Jr. and John H. Hershberger were named by stockholders to succeed the late G. M.-P. Murphy and George F. Getz on the board of directors.

Mixed reports on business conditions and prospects were given to stockholders of other companies at meetings yesterday.

Operation Costs Rise.

Henry Nias, president of Lily-Tulip Cup company, told stockholders that the company's business is running about even with last year. He said that the company has been affected by the increase in costs of operation but that 1938 promises to be a satisfactory year. He predicted that general business will soon begin to improve. William S. Bell, treasurer, was elected a director to succeed Herman Eisas, deceased.

Walter P. Paepcke, president of the Container Corporation of America, reported to stockholders at their annual meeting here that the company incurred a net loss of $53,198 in the quarter ended March 31. Net income was $626,970, or 96 cents a share, in the March quarter last year.

No Profits Until May.

Paepcke said the present outlook is unpromising. There is no prospect, he said, of the company making more money in April and it does not appear likely that it will get back on a profitable basis in May.

Orders in the first 22 days of April, he said, averaged 900 tons a day compared with 1,400 tons daily in the corresponding period last year.

Stockholders of Devoe & Raynolds Co., paint manufacturer, meeting in New York, voted to absorb the Jones-Dabney company, maker of industrial finishes. Devoe & Raynolds will issue 28,000 shares of its A stock in exchange for 14,900 shares of capital stock of Jones-Dabney.

REPORT SLIGHT DROP IN MARCH UNEMPLOYMENT

New York, April 28.—(AP)—The national industrial conference board reported today that its estimates showed a slight decrease in unemployment in March, making the total of unemployed 10,408,000.

The board's estimates showed a decline of 142,000 from the revised February figure, due primarily to the increase in agriculture and construction employment, which more than compensated for declines in manufacturing, mining, transportation, utilities, and the service industries.

Included in the board's list of unemployed are 2,802,000 workers attached to government emergency labor forces, as represented by WPA and CCC.

SEARS, ROEBUCK SALES BELOW YEAR AGO LEVEL

Sears, Roebuck & Co. yesterday reported sales amounted to $40,156,151 in the four weeks ended April 23. This is a decrease of 7.5 per cent from the $43,412,493 sales in the corresponding 1937 period.

Including the Easter season the 1938 April figures showed a smaller decline than did the preceding four weeks in which the drop was 9.2 per cent.

Sales for the 12 weeks ended April 23, the first three four-week periods of the current fiscal year, totaled $106,778,151, or 6.6 per cent less than the aggregate of $114,313,225 in the corresponding period a year ago.

SEC'Y MORGENTHAU IS 'DISGUSTED' WITH BUSINESS SITUATION

Washington, D. C., April 28.—[Special.]—Secretary of the Treasury Henry Morgenthau Jr. indicated disgust with the current business situation at his press conference today, but refused to make predictions. Asked if he believed business conditions were bad, the secretary replied: "Of course they're bad, there's no news in that."

He said that indices showed that conditions were "still getting worse," and although he could see no signs that the bottom had been reached, he refused to comment on the relation of the present situation to the immediate future.

Morgenthau declared the coöperation offered this week by sixteen business men to combat the depression was "excellent." Asked whether he did not think their statement to President Roosevelt was "full of ifs," he declared it seemed to him to be "a forthright statement."

QUEBEC CABINET ORDERS GENERAL PAY BOOST MAY 15

QUEBEC, Que., April 28.—[Special.]—Wage increases for some 600,000 persons in Quebec province will become effective on May 15 as the result of a fair wage ordinance adopted by the Quebec provincial cabinet today.

Some $26,000,000 is expected to be added to pay rolls each week as a result of the ordinance, and practically all clases of labor, except those under collective labor contracts, are included. Night watchmen are those who benefit most, since their general boost will be $5 per week. In nearly all other cases the actual increase in salary runs from $2 to $2.50, but there will be a forty-eight hour maximum week with time and a half for all overtime.

Highest wages will be paid in Montreal and the immediate vicinity, with Quebec and vicinity next. Originally scheduled to become effective on Feb. 15, application of the act was held over so that the government might give it further study.

The act is expected to result in the employment of many thousands of workers, since the 48 hour week will be strictly enforced, except in case of stenographers, bank clerks, etc., whose salary is computed on a 40 hour week.

MARCH PAY ROLLS, HOURS, RISE IN STEEL INDUSTRY

A moderate upturn in the steel industry during March was indicated by reports yesterday of increased pay rolls and a higher volume of new orders for structural steel for the month. March orders, however, were only 35.9 per cent of normal [1928-'31 average], although ahead of the 31.3 per cent for the entire first quarter, according to figures announced yesterday by the American Institute of Steel Construction.

Increases in March over February in total pay rolls and average hours worked per employé, but a drop in the total number of men employed, were reported by the American Iron and Steel institute.

Pay rolls in the steel industry for March were placed at $51,386,000, against $45,599,000 in February. The total, however, represented a drop of 43 per cent from the March, 1937, total of $90,863,000.

March orders for structural steel of 83,977 tons were at the highest level since December. The total compared with 54,996 tons in February, 79,874 tons in January, and 206,321 tons in March, 1937. March shipments totaled 100,956 tons, against 79,568 tons in February, and 142,995 tons in March, 1937.

N. Y. SHIPBUILDING STOCK SWAPPED TO OLD CORD FIRM

Aviation and Transportation corporation [formerly Cord corporation] has acquired an additional 15,000 shares of New York Shipbuilding corporation stock from Bernard E. Smith, New York market operator, it was learned yesterday.

Smith traded his stock for certain unlisted securities owned by Aviation and Transportation. The deal raises to 61,200 shares the holdings of Aviation and Transportation in the shipbuilding corporation.

The interest owned by the holding company is represented by "founders' shares" which carry sole voting power in the company. There are 175,000 founders' shares outstanding.

Federal Gold Policy Boosts Bank Reserves

(Statistics on page 24, column 5.)

The first expenditures by the federal treasury from the proceeds of gold desterilization caused a large expansion in bank reserves in the week ended Wednesday, the federal reserve board reported yesterday.

Ninety million dollars was added to the supply of lendable bank money during the week. Banks reported they were holding reserve funds at the close of business Wednesday that exceeded by 2 billion 580 millions their legal reserve requirements.

Pumps Money Into Banks.

The treasury carried out the policy outlined a week ago of pumping money into the banks by the gradual retirement of outstanding issues of short term government securities owned by banks. The treasury is paying off such securities at the rate of $50,000,000 weekly out of the $1,390,000,000 credit which arose from the release of the sterilized gold.

The operation results in an immediate expansion in bank reserves. Banks are given cash credits at the central reserve banks for the government issues which the treasury redeems. Theoretically this encourages banks to expand their loans to other borrowers. Banks have been holding large supplies of reserve funds, however, for the last six years, but this condition has failed to prevent contraction in credit or to bring about an expansion in loans.

Sells Government Bonds.

The reserve banks sold more long term government bonds last week, an operation intended to prevent the market from rising too rapidly. Government bond prices have been moving up steadily since President Roosevelt announced his credit expansion program.

With more uninvested money on their hands, Chicago banks last week increased their holdings of securities [other than government bonds] by 11 millions. They reduced their government bond holdings 38 millions. New York banks pursued an opposite course, purchasing 25 millions of government issues and selling 8 millions of other securities. Commercial loans of New York banks fell 19 millions and loans to brokers and dealers increased 20 millions. Commercial loans of Chicago banks were unchanged.

BANK CLEARINGS LOW; NEW YORK GAIN CUTS LOSS

New York, April 28.—[Special.]—Expansion in bank clearings in New York during the week ended April 27, the first increase over the corresponding week of a year earlier since the week ended Oct. 20, cut the decline in clearings for the entire country, Dun & Bradstreet reported today.

Clearings in twenty-two leading cities amounted to $5,379,815,000, a drop of only 3.8 per cent from a year ago, compared with a fall of 18.6 per cent in the preceding week, and declines of more than 25 per cent in recent weeks. It was the twenty-fourth consecutive week in which a drop from a year earlier has been recorded.

New York clearings expanded to $3,574,422,000, a rise of 6.9 per cent over the corresponding week a year ago. In other cities the turnover was only $1,805,393,000, or 19.6 per cent less than a year ago. The total was $620,581,000 above that of the preceding week.

YOUNG REFUSES BANKERS' PEACE IN FIGHT FOR C.&O.

Cleveland, O., April 28.—(AP)—Robert R. Young refused tonight to accept a peace plan proposed by New York banking interests in the struggle for control of the Chesapeake and Ohio railroad.

After a special meeting of the railroad's directors and a day long conference, Young said only that he had refused a conclusive answer. This left the door open for further negotiations.

The Guaranty Trust company of New York is seeking to assert power in control of the late Van Sweringen rail empire which is now headed by Young.

The Bankers' plan proposed several terms, the principal one of which was the election of three new C. & O. directors, as well as a representative for preferred stock held by George A. Ball, Muncie, Ind., capitalist.

QUARTER PROFIT OF BETHLEHEM STEEL $994,908

Declare Dividends on Preferred.

Directors of the Bethlehem Steel corporation yesterday voted to pay the regular quarterly dividends on the preferred shares and reported a profit of $994,908 for the first three months of 1938. In the first quarter last year profit was $8,293,833.

Eugene G. Grace.

Eugene G. Grace, president, said that the company's plants operated a 34.6 per cent of capacity in the first quarter, compared with 45.7 per cent in the preceding three months and 87.1 per cent in the first quarter of 1937.

The plants are currently operating at 35 per cent of capacity compared with 32 per cent at the end of March, he said. At this time last year the operating rate had reached 98 per cent of capacity.

Earned 53% of Preferred Dividends.

Grace said that the "break-even" point for the company is between 34 and 40 per cent of capacity.

First quarter profit was equal to 53 per cent of the dividend requirements on the preferred stocks. The dividends of $1.75 a share on the 7 per cent preferred and 25 cents a share on the 5 per cent preferred stocks will be paid July 1 to stockholders of record June 3.

Grace asserted that he saw no prospects of an expansion in demand for steel from the major consumers. He is not optimistic about railroad buying over the next several months, he said.

The company had on hand orders for $99,934,192 on March 31, Grace reported. This compared with $93,470,063 a year earlier. The increase in unfilled orders, he said, was due entirely to shipbuilding activity.

Reveal Purchase Details.

Grace disclosed for the first time details of the plan for acquisition of United Shipyards, Inc. The deal, he said, calls for a cash payment of about $9,320,000 by Bethlehem. The entire transaction, he added, would be ready for presentation to United Shipyards stockholders early next week.

Contracts in excess of $1,700,000, involving approximately 8,200 tons of heavy steel, of which about 1,200 tons are for work on traveling cranes, were reported to have been obtained yesterday by Bethlehem Steel corporation for Grand Coulee dam construction.

WEEK'S BUILDING AWARDS OFF 5% FROM YEAR AGO

Engineering construction awards for the week totaled $38,197,000, or 3 per cent below last week and 5 per cent under the corresponding week in 1937, according to Engineering News-Record. Comparisons follow:

Week ended	April 28.	Preced. wk.	Year ago.
Total	$38,197,000	$39,430,000	$40,264,000

Rail Officials Meet Today on Problems

Executives of the 142 major railroads of the country will convene in Chicago this morning to consider an emergency program for meeting the pressing financial problems of the industry.

Recommendations drawn up yesterday by the executive committee of the Association of American Railroads will be laid before the full membership this morning. The recommendations are said to call for a reduction in wages and a renewal of the plea for higher freight rates.

J. J. Pelley, president of the association, would not discuss the decisions made at yesterday's conference. He said, however, that the entire railroad situation came in for review. Any recommendations that the committee makes, he said, are subject to ratification by the full membership at today's meeting.

Wage Cut Demand Expected.

The executives are believed certain to pledge themselves to take immediate steps to reduce wages despite the stand taken recently at the conference of twenty-one railroad brotherhoods in Washington. The labor representatives flatly refused to consider a wage reduction as a solution of the railroads' financial problem. George M. Harrison, chairman of the labor representatives committee, said a wage cut was out of the question.

The carriers are expected to ask for a 15 per cent reduction in wages which would represent an aggregate slash on pay rolls of $260,000,000 a year.

The association may also take a stand at today's meeting on the proposal for creating a new railroad reorganization court, which, sponsors assert, would speed up pending litigation and reorganizations.

Officials at Conference.

The railroad presidents attending yesterday's conference at the Blackstone hotel were: M. G. Clement, Pennsylvania; Daniel Willard, Baltimore and Ohio; F. E. Williamson, New York Central; D. J. Kerr, Lehigh Valley; E. S. French, Boston and Maine; Ralph Budd, Burlington; E. E. Norris, Southern; L. A. Downs, Illinois Central; J. B. Hill, Louisville and Nashville.

Others present, besides Pelley, were L. W. Baldwin, chief operating officer, Missouri Pacific; E. M. Durham, chief officer, Rock Island; J. N. Kurn, trustee, St. Louis and San Francisco; Carl R. Gray, vice chairman, Union Pacific, and R. V. Fletcher, general counsel of the association.

'GUESS' NATIONAL INCOME IS OFF 5.4 PER CENT

Washington, D. C., April 28.—[Special.]—Commerce department statisticians today estimated that the national income in the first quarter of 1938 was 5.4 per cent less than in the corresponding 1937 period. The statisticians conceded, however, that in making the estimates they had allowed for no decline in entrepreneurial income which they arbitrarily estimated as unchanged from the first quarter of last year.

In estimating entrepreneurial income—the income of small business men, professional men, landlords, and others—as unchanged, the statisticians said that they had relied on the theoretical stability of rents, professional fees, and the sums taken out of their businesses by unincorporated business owners.

The department estimated that wage payments in the first quarter were 7 per cent below those a year ago and that dividend and interest payments were down 2.4 per cent. For all classes March income was estimated at 80.5 per cent of the 1929 average, compared with 80.7 per cent in February and 88.6 per cent in August, 1937.

SURVEY SHOWS WHAT'S WRONG WITH INDUSTRY

Bankers Query 4,000 Manufacturers.

BY HOWARD WOOD.

Industry's present stalemate is the result of a general lack of confidence in the political situation and is not due to a shortage of capital for expansion of sound companies, according to the results of a nation-wide survey announced yesterday by the Investment Bankers' Conference, Inc.

The conference, a group of nearly two thousand investment banking firms, several weeks ago accepted the challenge of administration critics in Washington who had been attributing the depression to an alleged unwillingness of bankers to lend and a supposed shortage of available private capital. Questionnaires were sent to four thousand manufacturers, large and small, in all parts of the country.

What They Found Out.

Based on the replies of these questionnaires the following findings were announced yesterday by the conference:

"1. That there is not now and has not been during the last two years any substantial lack of new capital available for expansion of sound companies.

"2. Those companies which, during the last two years, could have probably used and did seek new capital were able to obtain it in practically all cases where the companies were entitled to credit and sought it before declining business and adverse market conditions brought expansion activities to a virtual standstill.

"3. Many companies during the last two years could have profitably used new capital for expansion purposes but were deterred from seeking additional funds because of a lack of confidence in the economic and political outlook.

Fear Laws and More Laws.

"4. This lack of confidence on the part of industry appears to have been engendered in large part by existing laws and by the fear of further adverse legislation.

"5. Taxes have been increased in a manner and to a level which serve to deprive the company or proprietor of any incentive to expand.

"6. Companies located in leading industrial regions of the country and in the Pacific northwest have been unfavorably affected by labor problems ascribed variously to the national labor relations act, the national labor relations board and the attitude of the administration toward employers.

"7. Conformity with the securities act of 1933 and certain SEC requirements has proved to be too expensive for some small companies seeking new capital across state lines, has restricted the market for these companies seeking funds within their own states, and has caused a number of expanding concerns to miss the market with their new capital issues.

Banking Rules Choke Markets.

"8. Requirements under national and various state banking laws with respect to quality ratings on bond issues for bank investment purposes and severity of bank examiners in several instances, have deprived some concerns of local markets formerly enjoyed by them when seeking capit-

Will Safe Accounts Stay Safe?

The biggest danger in credit granting is not the new account; it is the "good old customer" whose previous record has been impeccable.

Here is a typical case: A well rated firm was recently "swamped" by a sudden drop in commodity prices. Creditors had no warning whatsoever. One creditor, however, escaped a heavy loss through the protection of

Stocks, Bonds

New York Stocks.

[Chicago Tribune Press Service.]

New York, April 28.—The stock market turned weak today after yesterday's slightly better showing. With lowest prices reached toward the close of trading, active issues gave way fractions to 2 points, and some highly priced and volatile issues slumped 3 and 4 points. Trading continued at a slow pace on turnover of 537,260 shares.

The absence of buyer interest rather than new developments in the industrial or political fields was held chiefly accountable for the dragging market.

—•—

Motor, steel, and aviation issues were in the forefront of supply. Chrysler, most active stock of the day, slumped 2 points, reputedly in anticipation of a poor first quarter report. General Motors lost 1 point.

After a firm start steels moved lower, with United States Steel common and Bethlehem showing the way with losses of 1 point or more. Aviations lost up to 1⅝ points, that loss accruing to Douglas. Glenn Martin and United Aircraft took volume honors.

Carrier shares were not helped by movements looking toward wage reductions in the industry. The majority of favorites, eased fractions. Santa Fe, however, slumped 2 points and Union Pacific 1¼ points.

Consolidated Edison was conspicuously weak in the utilities, dropping 1⅜ points in generous supply.

—•—

In the oils, Texas corporation and Standard of New Jersey took cuts of 2 and 1⅝ points, respectively. Other losses were fractional. Building shares also showed wide declines, Johns Manville and U. S. Gypsum losing more than 3 points.

Arrangements were made today for the sale of a seat on the exchange for $62,000, a drop of $1,000 from the sale on April 14.

New York Bonds.

New York, April 28.—[Special.]—Bond prices were weak today although a number of the better grade issues met good demand at slightly higher prices. Business was extremely light and markets for some issues were rather thin.

Foreign loans were featured by a mild revival in buying of Cuban Public Works 5½s, and by weakness in Polish loans.

Industrials were mostly lower with stocks. Western Union issues were easier on denial of the telegraph company's plea for a rate increase.

Columbia Gas and Electric 5s of 1961 fell to a new low of 85.

—

Chicago Stocks.

Chicago stocks lost fractions to more than 2 points yesterday, as moderate selling met little support. THE TRIBUNE average of 20 stocks slipped 0.26 to 8.35, on a volume of 19,000 shares, compared with 15,000 Wednesday.

Only 7 of the 75 issues traded advanced. There were 45 declines, 22 stocks were unchanged, and one new issue was traded.

The new issue was Cities Service $10 par value capital stock, which was issued for the old no par stock on a basis of one new share for ten old ones. The new stock closed yesterday at $10 a share, compared with Wednesday's close of $1 a share for the old stock.

The volume leader yesterday, Commonwealth Edison, slipped ½ to 23, on sales of 1,900 shares. Middle West closed at 5⅛, off ⅝; Borg-Warner slumped 1½ points to 20⅝, and Compressed Industrial Gases dropped 2⅝ to close at 13⅞.

Bank Stocks.

Continental Illinois National Bank and Trust company stock declined $2.50 a share yesterday to $56 bid, $57.50 asked. First National was down $3 at $172 bid, $176 asked. City National also eased $1 to $125 bid, $129 asked. Chicago Title and Trust company stock advanced $4 a share, being quoted at $126 bid, $129 asked. Northern Trust shares moved up $5 to $505 bid, $515 asked.

CONTAINER CORP. OMITS COMMON STOCK DIVIDEND

Fairbanks-Morse, Five More Pass or Defer.

Fairbanks-Morse, Container corporation, and five other companies omitted or deferred action on dividends yesterday. Two other corporations cut preferred dividends, one of them on an issue already in arrears.

Omission of the Fairbanks-Morse dividend due June 1 comes after elimination of the extra on March 1. The company had paid 25 cents regular and 25 cents extra in each quarter of 1937, and a single 25 cent payment on March 1.

Container corporation will omit the dividend due May 20, after maintaining a 30 cent quarterly rate from Feb. 5, 1937, through Feb. 19 last. Payments were resumed in August, 1936, after the depression lapse.

Lehigh Coal Defers.

The Lehigh Coal and Navigation company announced that "in view of the unsatisfactory earnings of the company and uncertain business conditions the declaration of a dividend was postponed for the present."

Reduced volume of operations and unfinished contracts do not justify a dividend, said P. G. Connell, president of the FitzSimons &Connell Dredge and Dock company, in announcing omission of the June 1 payment. The company cut its March 1 payment to 12½ cents after disbursing 25 cents quarterly in 1937.

The Greenfield Tap and Die corporation omitted the quarterly dividend due at this time on its $6 preferred stock because of uncertainty as to business prospects.

Diamond Match company returned to its regular 25 cents quarterly rate on its common stock by declaring three quarterly payments. It paid 50 cents on March 1. The company also ordered distribution of 70,000 shares of Pan-American Match stock.

Gold Certificates.

Since 1933 ownership of gold by individuals or private corporations has been prohibited by law in the United States. Gold bullion, coin and gold certificates previously outstanding were ordered turned into the treasury, which now owns all the monetary gold in the country.

The only gold certificates now outstanding are those issued by the treasury to the 12 central banks of the federal reserve system. The certificates are warehouse receipts for the gold which the treasury stores in its depositary at Fort Knox, Ky., and elsewhere. The certificates are not convertible into gold but may be used by the reserve banks as the bases for currency in the same manner that the metal formerly was used.

Until recently the regional reserve banks did not have possession of the actual certificates. They were held in Washington by the settlement fund of the reserve system, individual banks being debited or credited in the clearing house as transfers were made. This practice has been modified, and the regional banks now have physical possession of at least a part of the gold certificates which they own. Part of their holdings still remain in Washington to facilitate settlements.

Business Bits

D. A. Barrett.

Carnegie-Illinois Steel corporation yesterday announced that D. A. Barrett, vice president, will take immediate charge of all industrial relations activities, including personnel, training, labor relations, safety, and welfare. Barrett has been a vice president since June 1, 1936, and has a record of forty-two years of continuous service with United States Steel corporation subsidiaries. He was vice president in charge of operations of the former American Sheet and Tin Plate company before going to Carnegie.

Formal opening of offices of the new municipal bond firm of Lewis, Williams & Co. on the fifteenth floor of the Field building will take place today. The firm is composed of former members of Lewis, Pickett & Co. They are Benjamin F. Lewis, Louis C. Williams, Robert W. Davis, Stephen D. Chase, J. M. Stewart, and Frank L. Middleton.

William Y. Cherry, general superintendent of motive power of the Pennsylvania railroad with headquarters in Chicago, will be presented with the company's fifty year gold service award today by Vice President H. E. Newcomet.

Appointment of Eugene B. Finegan as assistant chief trafic officer of the Milwaukee road, effective May 1, was announced by H. E. Pierpont, chief trafic officer. His headquarters will remain in Chicago.

John A. Ritchie, chairman of the Gray Line Sight-Seeing companies of New York and Chicago, announced election of Harry Dooley as president of both companies. Dooley will have headquarters in New York.

B. H. Sullivan of St. Louis has been appointed middle western district manager of the Westinghouse Electric and Manufacturing company's lamp division, effective May 1, A. E. Snyder, division sales manager, announced. His new headquarters will be in Chicago.

Arthur F. Martin, who has had charge of I. Miller & Sons retail stores in Chicago, St. Louis, and Kansas City, will take charge of the company's stores in New York, effective May 1.

Butler Brothers announced promotion of Victor O. Lothman from corporation office manager to assistant controler of the company.

Herman Kannenberg was elected president of Bunge Brothers Coal company yesterday. Ernest A. Lindquist was elected executive vice president and secretary. William L. Gibbons was reëlected vice president. All three were elected directors.

Officers of the Milwaukee road gave a testimonial luncheon yesterday in Hotel Sherman for Cyrus M. Dukes, assistant to the chief operating officer, who retires May 1, after nearly half a century of railroading.

SURVEY SHOWS WHAT'S WRONG WITH BUSINESS

Ten Points Cited in Quiz of 4,000 Manufacturers.

[Continued from page 25, column 8.]

a) funds on other than a short term basis.

"9. Investment bankers generally have been willing to help sound companies seeking their assistance in obtaining funds for expansion purposes. In nearly all cases where investment bankers were unwilling to assist, it was indicated that adverse market conditions, the smallness of the issue or the lack of satisfactory earnings on the part of the issuing company had restrained the lender from proceeding with the business.

"10. The prevailing thought is to await further development of the administration's attitude toward business and better business conditions before doing any more than is necessary to maintain business establishments in working order."

Capital Lacking? "No," Say 77%.

The list of manufacturers to whom the questionnaires were sent was supplied by the United States Chamber of Commerce. Of those who replied 77 per cent answered "No" to the question: "In your judgment is there any lack of new capital available in your section for expansion of sound companies." Seventy-six per cent said there had been no such lack during the last two years. Seventy-four per cent said that they could not have used such capital profitably, and eighty-two per cent said that they had not sought new capital in the last two years.

Investment bankers are interested primarily in the long term capital market, but in its studies the group discovered that capital of the type normally afforded by commercial banks in some cases is withheld from small manufacturers by the rigidities of rules adopted by bank examining agencies which demand "ratings." The commercial rating agencies, in many cases, do not bless the securities of smaller companies with their hieroglyphs.

Some Can't Get Loans.

The conference in its report admits that there are many manufacturers who want loans and can't get them, but explains that it has limited its findings to financially "sound" companies.

"It is possible," the report states, "if inquiry were made and partook of the character worded: 'Would you like some money?' the answer, 'Yes' would likely be unanimous. It will be noted that the character of our inquiry rested upon a sound credit base and emphasized the use of capital for expansion purposes."

The report is signed by B. Howell Griswold Jr., chairman of the Investment Bankers Conference, Inc., and partner of Alex. Brown & Sons, Baltimore. Francis A. Bonner, vice president and secretary of the conference, and vice chairman of Blair, Bonner & Co., Chicago, is the second ranking officer of the organization.

CHICAGO LIVE STOCK

Price trends in live stock and wholesale meat markets were mixed yesterday. Some classes ruled steady to lower, and others sold strong to higher. Dressed beef was steady to 50 cents per hundred lbs lower. Steady prices prevailed in veal, lamb was strong, and fresh pork steady to $1 lower.

Bulk of Plainer grades of fed steers and most classes of butcher cattle met narrow outlet at weak to slightly lower prices. Lambs rallied to a mostly steady basis after a 10 to 25 cent lower opening. Hog prices averaged 5 cents lower at $8.05, but sales were made in the various classes from 10 cents lower to as much as 10 cents higher.

[All prices are in dollars per 100 pounds.]

Suit to Void Prima Award Taken Under Advisement

The United States Circuit Court of Appeals yesterday took under advisement an appeal brought by two Chicago banks to set aside an award of $568,895 damages to the Prima Brewing company. In July, 1937, Federal Judge John P. Barnes held that the Harris Trust and Savings bank and the First National Bank of Chicago were liable for this amount for losses incurred while Garrett C. Skinner was running the brewery. Marshall Keig, trustee of the brewery, brought the suit, contending that the banks had insisted that Skinner operate the business to protect $400,000 in loans.

SEC EASES RULE ON HOLDING FIRM INVESTMENTS

Washington, D. C., April 28.—(AP)—The securities commission today cut away some of the red tape hampering the investment of idle funds of public utility holding companies.

Heretofore a holding company had to get permission for each transaction in which it bought securities of another company. A new rule adopted today permits the companies to get prior approval of a list of securities which may be bought without further commission procedure. The commission said the new rule did not apply to securities within a holding company system or to securities which may add new subsidiaries.

"COMMUNITY RE-NEWED" Is a New Process

"Community Re-Newed" is a brand new process developed by Community Motors, that is so new—so different—so changed that it will completely change your previous idea as to how a good used car should look and run.

One glance at a "COMMUNITY RE-NEWED" car will quickly prove to you that they are different, and when you ask the price you will know they cost no more than average automobiles.

Before you buy any used car be sure to visit the Community Motors store in your neighborhood and see these "COMMUNITY RE-NEWED" bargains.

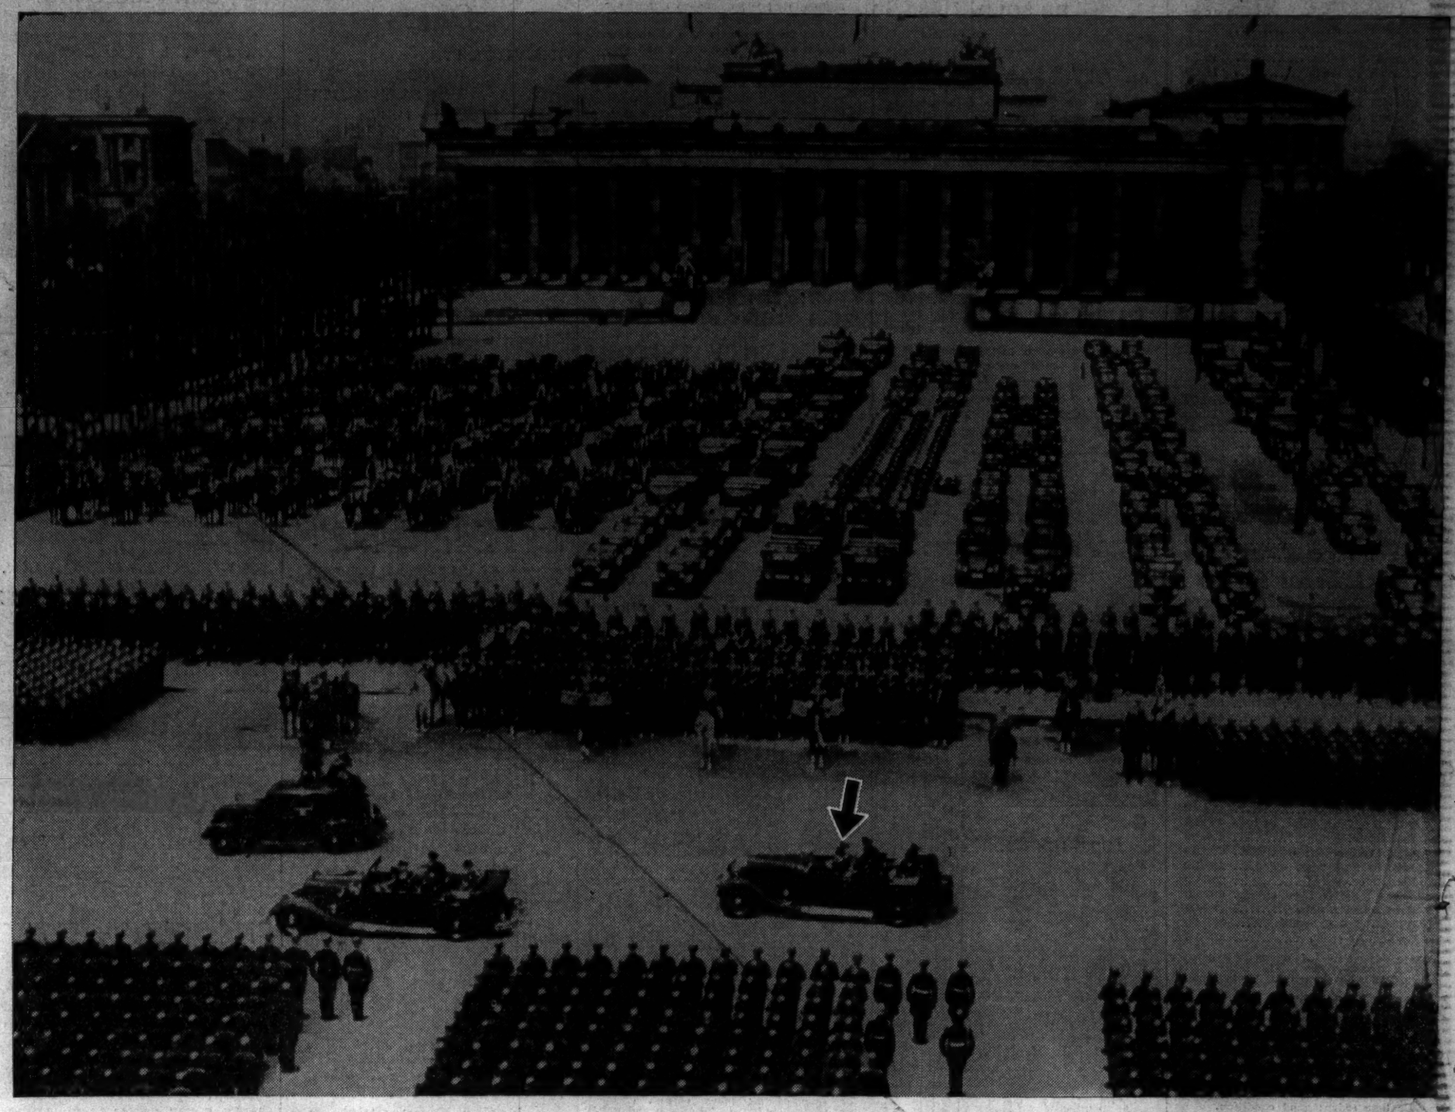
A. F. of L. Launches New Drive to Crush Lewis—Italy Plans Spectacular Reception for Hitler Next Week

[Associated Press Wirephoto.]

William Green of A. F. of L. (right) presents charter of new miners' union to Joe Ozanic in Washington. The union is being set up to crush John L. Lewis' C. I. O. *(Story on page 1.)*



Birthday party, Nazi style. This was the scene in the Unter den Linden, Berlin, on April 20, as Dictator Adolf Hitler (indicated by arrow) celebrated his 49th birthday by reviewing the massed military might of Germany. Rome is planning a great reception for the German dictator's visit on May 3.

[Associated Press Wirephoto.] *(Story on page 6.)*

With its emblem before him, Gov. Philip F. La Follette of Wisconsin launched his National Progressive party last night in Madison. The cross is blue on white, the circle red.

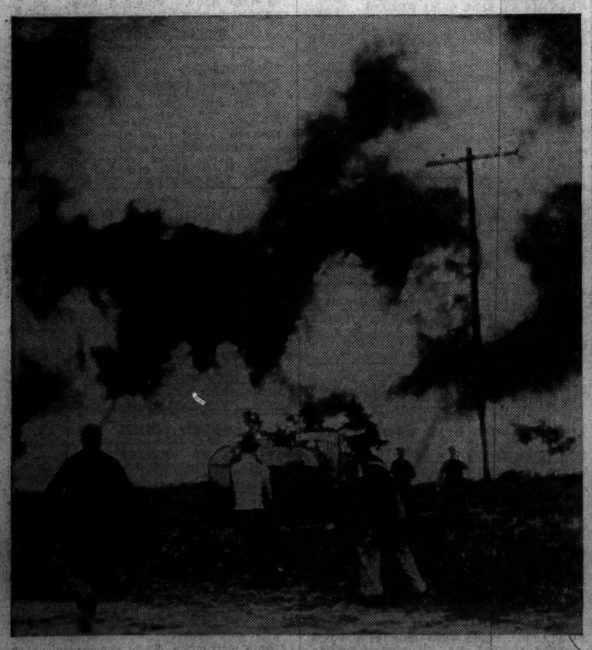
Mrs. Grace Noll Crowell, Dallas, Tex., named "American Mother of 1938" by Golden Rule Foundation in New York.

[Associated Press Wirephoto.] *(Story on page 17.)*

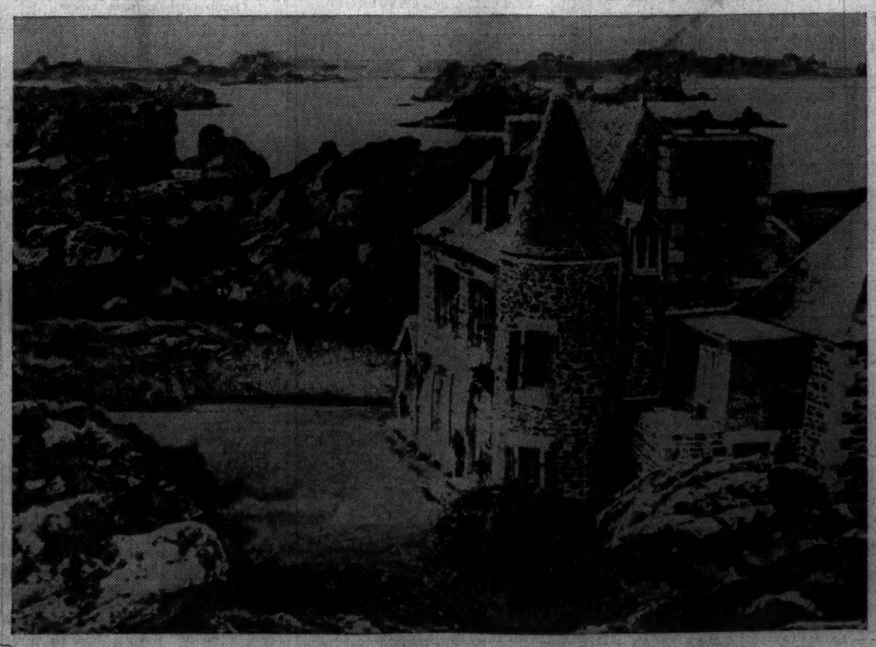
Prince Bernhard, husband of Princess Juliana of Netherlands, at gay party in Cannes with woman identified as Mrs. Leslie. There have been rumors of a family rift.

[Associated Press Wirephoto.] *(Story on page 6.)*



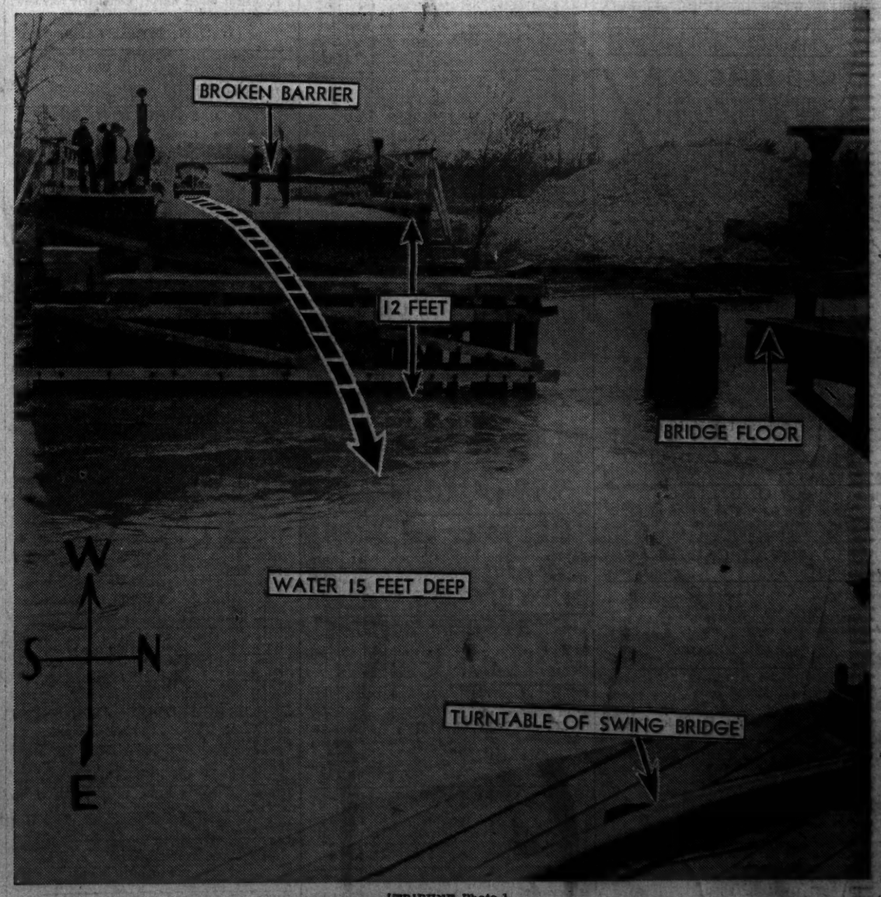
Firemen barely saved this water truck as forest blazes raged around Sandwich, Mass. One was killed, four burned.

[Associated Press Wirephoto.] *(Story on page 2.)*



[Acme Photo.]

The home on Island of Illiec, off the coast of Brittany, into which Col. Charles A. Lindbergh and Mrs. Lindbergh will move their family next month. *(Story on page 8.)*



[TRIBUNE Photo.]

Photo-diagram of scene at 130th street and Calumet river, where auto broke through gates of open bridge and carried four persons to death in water. *(Story on page 3.)*
